## **PART II. District - Wide LEA Parent Involvement Plan (PIP)**

### **Parental Involvement Mission Statement**

We, the Title I, Migrant Education and Special Programs Department of the Broward County School Board believe that a partnership must exist between our parents and our schools. We will promote positive communication between the schools and our students' homes that will strengthen the school, family, and community. We further pledge to coordinate and build capacity for increased parent participation through enriching and engaging activities whereby parents can exhibit effective parenting skills that will provide stabilization in the home and ultimately improve the academic achievement of our students.

1. Describe the actions the LEA will take to involve parents in each of the following required policies/plans. Address each plan and how parents will be consulted before the plan is finalized.
  - a. LEA-wide parental involvement policy (PIP) [Section 1118 (a)(2)];
  - b. LEA Plan [Sections 1112 (c)(H), 1112 (d)(1)]; and
  - c. How the funds reserved for parental involvement will be allocated [Section 1118 (a)(2)].

The Local Educational Agency (LEA) has developed the District Title I Executive Parent Advisory Council (EPAC), which is composed of parents from various Title I schools. Elections for the EPAC are held every two years during the Spring. Parent volunteers are nominated to serve as Title I Executive Parent Advisory Council officers and members. The Council consists of approximately 18 voting members; with representation of parents from the north to the south sectors of the county; one Title I Staff member and an alternate Title I Staff member. The Council provides input into the development, implementation and evaluation of all district related plans, including but not limited to the District Improvement and Assistance Plan (DIAP), the LEA District's Parent Involvement Plan (PIP), the Title I, Part A application, and use of the set-aside allocation. The Broward LEA will present all projected district activities and expenditures for the upcoming school year to the district's Title I Executive Parent Advisory Council (EPAC) in May (notice of meetings dates will be mailed to council members). During the Title I EPAC meetings (March, May, and any call meetings that must be held to reach an agreeable consensus by the Council) members will review, provide recommendations and modifications regarding the projected parent involvement expenditures/activities and district parent involvement plan. The LEA and the Title I EPAC members are expected to reach consensus regarding the parent involvement expenditures and activities by June.

All schools receive training and information on ways to include parents in the school improvement process, school-level parental involvement plan, school-parent compact, and the activities of the school through the Title I Principals' Training and the Title I Liaisons' Technical Assistance Training;

- Provides professional development for the School Advisory Council (SAC) personnel at each school site. Training includes gaining a thorough understanding of the School Improvement Plan (SIP) template and process for developing a plan, writing an agenda and conducting a SAC meeting, ways to build strong team membership and increase team commitment to and involvement in the SIP, and strategies for monitoring the SIP goals/objectives on an ongoing basis. These trainings are open to all parents who are participants in the school improvement process; and
- Parents are invited and encouraged to become active members of the SAC and provide input in the development and decision-making process of all plans related to school improvement. Parent, staff, and student surveys are distributed and the results analyzed to evaluate the school needs. Data collected throughout the year is shared with each SAC. The results are utilized to plan effective parental involvement activities for the new school term.

Decisions involving the use of the one percent of Title I funds reserved for parental involvement will be made during the development of the SIP by the SACs at the Title I schools. Parents of students in Title I schools are involved at their individual school's Council. Of the one percent, not less than 95% will be allocated to schools. Parents will participate in the development of the school's Title I budget through participation in the school's SAC meetings. The parent involvement activities will be developed with the input (recommendations and/or suggestions) of the parents. The LEA will monitor SAC membership to ensure that parents are represented and involved in the process.

The LEA will conduct the following activities using the parent involvement set-aside to build the capacity for increased parental involvement as outlined in our Parental Involvement Plan:

- 1) Conduct an Annual Public Meeting (October 2, 2014);
- 2) Provide monthly Title I Parent Training Academy meetings that focus on literacy, academic instruction in the areas of reading, writing, math, science and health/wellness;
- 3) Training and support to the Title I schools (Title I Liaisons and Community Liaisons technical assistance meetings and support visits) on how to effectively increase parental participation at the school-level;
- 4) Parent Literacy training (train-the-trainer model) offered to school personnel and parents. This training will allow parents to engage with other parents as they acquire parent literacy skills that help build success for children, parents and teachers through books, trainings and partnerships with schools and communities;

- 5) Utilization of Parent Involvement staff to provide scheduled visitations by way of two mobile units (Parent Center on Wheels); Title I schools and Community Partners request the units to increase parent engagements at schools' literacy nights, academic fairs and health fairs/community events in which Title I, Head Start, and Homeless parents can borrow educational materials and receive information regarding events and services provided within the county;
- 6) Title I Parent Involvement Resource Center, which offers a welcoming atmosphere for parents, provides free educational resources and take-home materials. The materials are appropriate for grade levels Pre-K through 12;
- 7) Computer literacy training will also be provided through our Title I Parent Involvement Resource Center;
- 8) Coordinating an annual Parent Seminar with other federally funded grant programs, parents will attend academic concurrent sessions to improve literacy skills and school/community involvement. During this event parents will also receive valuable resources from community partners;
- 9) Partnership with the Healthy Mothers, Healthy Babies Coalition to institute the Men-That-Care initiative which actively employs male involvement with the mission to strengthen and provide training sessions for increased male participation;
- 10) Purchase current research-based instructional materials (for parent trainings, technical assistance training to schools, Parent Involvement Resource Center and mobile units).
- 11) Provide transportation for Title I parents to participate in district sponsored parent involvement events/activities.
- 12) Institute a summer learning initiative using the Title I mobile units, whereby the units will partner with various community camps to provide technology learning stations to Title I students.

2. a. Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118 (e)(1-14)].

The LEA provides the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance:

- Orientation and technical assistance meetings are provided to new principals and Title I Liaisons of all Title I schools to assist in the development, implementation, review of all required plans, and ensure that schools are knowledgeable of their expectant roles and responsibilities.
- Quarterly Title I Liaisons technical assistance meetings serve as the main forum for sharing information regarding the federal requirements of the district as a recipient of Title I, Part A funds. The Program Specialists are

responsible for providing the information and technical assistance to schools. There is additional daily two-way communication via an email system (CAB Conference) for Title I Liaisons to address concerns and/or inquiries as it relates to Title I processes/procedures.

- b. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with Section 1118[34CFR 200.30(e)].

The LEA reviews each school-level parent involvement plan, school-parent compact, and annual parent survey results to ensure compliance and that the activities planned will provide meaningful opportunities for parents to become more involved in their child's education. This review process is conducted during July and feedback is provided to the schools by September (by way of the FDOE Parent Involvement Online Submission Evaluation and School Improvement Plan Committee feedback sessions). Schools begin developing and administering the documents during the months of March through May. The Parent Involvement Specialist is responsible for monitoring the completion of the school-level PIP, compact and annual evaluation. Program Specialists assigned to various innovation zone schools are responsible for monitoring SAC/PTSA/Parent Workshop flyers, agendas and minutes that provide evidence that parents are included in the decision-making process.

- c. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Parent Literacy Workshops will be provided by the LEA as another reasonable support for parental involvement activities. The Facilitators will provide train-the-trainer opportunities for Title I Liaisons, parent representatives, and other school staff to enhance their abilities to present parental involvement information and promote parent literacy. These trainings will be conducted in November by the assigned Program Specialists and Title I Community Liaisons.

3. Describe how the LEA will coordinate and integrate parental involvement strategies from Title I, Part A with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Parts C and D of Title I, Title III, and Part A of Title IV) [Sections 1118 (a)(2)(D) and 1118 (e)(4)].

<p>Early Childhood Department (Head Start)</p>	<p>The LEA will coordinate services through the Early Childhood Department (Head Start). Title I, part A funds will be utilized to support one 3-4 year and two 4-year old early childhood classrooms by providing instructional positions, research-based curriculum and resources to assist students in the emergent stages of learning transition successfully to primary education. Title I, Part A funds will be used to provide professional development activities to meet the specific needs of teachers. These funds will also be used to increase parental involvement and provide educational workshops for parents to assist their child(ren) at home. In addition, Title I, Part A and Head Start in conjunction with the Healthy Mothers, Healthy Babies Coalition will coordinate the Men-That-Care initiative to provide fathers, male guardians and mentors viable resources for increased engagement.</p>
<p>Migrant Education Program (Title I-C)</p>	<p>Title I, Part A will have ongoing collaboration with the Title I, Part C, Migrant Education Program (MEP). The MEP program will have two Identifiers/Recruiters, one of which is partially funded by Title I, Part A as well as a Pre-K teacher and paraprofessional to address the identified needs of migrant students and families. Title III has developed and will continue to support Parent Involvement Resource Centers at two targeted Title I schools and their feeder schools. Title III will also support Title I by providing translation services of district/department's correspondences and bilingual staff at the monthly Title I Parent Training Academies and the Annual Parent Seminar. Title I will support Title III with the coordination of a Parent Leadership Training for Title I, Title III and Head Start parents. The goal of the training</p>

	will be to bring awareness of parents' legislative rights and build capacity for increased parent engagement.
Annual Parent Seminar	Title I, Early Childhood Education (Head Start), and Exceptional Student Education departments collaborate and coordinate an annual full day conference for district parents. Parents participate in trainings and academic implementation strategies.
Title I Parent Center on Wheels	The Title I and Early Childhood Education (Head Start) departments provide educational supplementary materials that are on loan to Title I and Head Start parents. These resources are made available to the parents at daily visits to the Title I/Head Start schools at Family Literacy Nights and community events by way of the Title I departments mobile units visits.

4. Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement plan in improving the quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

The LEA will evaluate the effectiveness of its parental involvement activities by having participants complete an evaluation form and/or on-line survey after each parent engagement activity. The feedback provided from the evaluation form will be shared with the Title I Executive Parent Advisory Council, their suggestions and recommendations will be considered in improving and implementing any necessary changes needed throughout the year. An annual evaluation will be held at both the school and district level, the data will be analyzed and a summary of needs will be formulated by the district Title I Executive Parent Advisory Council (EPAC) and the schools' School Advisory Council (SAC). The information generated will be used to strengthen and plan the parent involvement plan and activities for the upcoming school term. The Title I parents will be encouraged regularly to attend these forums, to contact the LEA and schools with questions, concerns, and suggestions for the betterment of building capacity for increased parent engagement within our district.

5. If the LEA plans to implement LEA-wide activities, describe the activities the LEA will take to build the schools' and parents' capacity for strong parental involvement. 7. Describe how the LEA will provide full opportunities for participation in parental involvement activities for all parents (including parents of children with limited English proficiency, disabilities, and migratory children). Include how the LEA plans to share information related to school and parent programs, meetings, school reports, and other activities in an understandable and uniform format and to the extent practical, in language parents can understand [Section 1118(e)(5) and 1118(f)].

The LEA will provide the Parent Involvement Plan (PIP) in English, Spanish, and Haitian-Creole, as feasible. Parents will be sent notification of the plan's location in the school's newsletters, on schools' websites, and in the front lobbies of schools. Translators will be available as feasible at parent meetings and made available at school sites to provide translation services to ensure that all parents (ESOL and migratory) are able to fully participate in the parent meetings. If other languages are needed schools will have in-house bilingual staff provide translation services. At the beginning of each school year, schools are required to have parents complete registration information regarding emergency information and the various languages spoken in the home. The LEA collects this data and through the English Speakers of Other Languages (ESOL) Department translators are provided in the various languages of the student population, as appropriate. All workshops/training locations are held at sites that provide accessibility (wheelchair access, ramps, and restrooms) for parents that may have special needs. In addition, consideration is made regarding the distance of the meeting area (school cafeteria, media center, classroom, etc.) from the training room to the parking lot for parents with limited mobility and/or disabilities.
